

**Job Title:** Senior Tax Accountant

**Location:** Jacksonville, FL

**Company Overview:**

Brock CPA, a respected firm in Jacksonville, FL, is dedicated to providing exceptional accounting services to individuals and locally-owned businesses. Founded by Daniel Brock, a third-generation CPA with over a decade of experience, we pride ourselves on offering personalized client service, specialized tax return preparation, tax planning, estate planning, bookkeeping, and business consulting. We cultivate a collaborative work environment, offer growth opportunities, and empower our team to deliver top-tier financial solutions.

**Position Overview:**

We are seeking a dedicated and experienced Senior Tax Accountant to join our team. This full-time, on-site role offers an exciting opportunity to work directly with businesses and business owners, managing complex tax and accounting tasks. The Senior Tax Accountant will play a pivotal role in shaping the financial success of our clients, providing expert guidance that helps them navigate complex tax regulations and compliance challenges. This is an ideal opportunity for a versatile and ambitious CPA who wants to advance their career in a collaborative, professional environment.

**Key Responsibilities:**

- Prepare and review complex tax returns for individuals and businesses
- Deliver expert business consulting and family advisory services tailored to each client's needs
- Conduct in-depth tax research and provide strategic tax planning to maximize clients' financial efficiency
- Manage and review financial statements and reports, ensuring compliance with accounting principles and tax laws
- Oversee bookkeeping tasks and coordinate accounting functions across multiple clients
- Collaborate closely with clients to understand their financial objectives and create customized strategies
- Mentor junior staff, promoting their growth through guidance and knowledge-sharing

- Stay current with changes in tax laws and accounting standards, ensuring compliance and offering forward-thinking solutions

**Required Qualifications:**

- Bachelor's degree in Accounting, Finance, or a related field
- CPA designation or significant progress toward obtaining it
- Extensive experience in tax preparation, financial statement review, and business consulting
- Strong knowledge of tax laws, accounting principles, and estate planning strategies
- Excellent attention to detail, organizational skills, and problem-solving abilities
- Effective communication skills, both written and verbal
- Ability to manage multiple tasks efficiently and work independently or collaboratively

**Preferred Qualifications:**

- Prior experience in a senior or supervisory role
- Familiarity with estate planning and family advisory services
- Proficiency in various accounting software and tools

**Benefits:**

- Competitive salary and bonus opportunities
- Comprehensive health and retirement planning benefits
- Structured professional growth and career advancement path
- Collaborative, dynamic work environment
- Modern, conveniently located office in Jacksonville, FL

**Why Join Us:**
